This survey is intended for residents and landowners in Ingham Township. To further the community's priorities in future land uses, we invite you to complete this survey and return it to the Township office at 1420 Johnson Street, PO Box 238, Dansville, MI 48819. You can scan or email your answers to clerk@inghamtownship.com. Please return the survey on or before **Friday, June 4, 2021**.

Your answers to these questions will help Township officials understand the most important issues for different kinds of renewable energy projects.

Name: [redacted]

Address: [redacted]

1. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments and commitments in the State of Michigan?

- ● 1
- ○ 2
- ○ 3
- ○ 4
- ○ 5
- ○ Not enough information

2. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments in Ingham Township?

- ● 1
- ○ 2
- ○ 3
- ○ 4
- ○ 5
- ○ Not enough information

3. What sources of renewable energy would you prefer to see developed in Michigan, if any? (check all that apply)

- ○ Solar
- ○ Wind
- ○ Hydroelectric
- ○ Geothermal
- ○ Nuclear
- ○ Biomass

4. What sources of renewable energy would you encourage in Ingham Township, if any? (check all that apply)

- o Solar
- o Wind
- o Hydroelectric
- o Geothermal
- o Nuclear
- o Biomass

5. Have you received information about the Kalamink Project from Apex Energy in Ingham Township?

- o Yes
- o No
- o Yes, but would like more information
- ● No, but would like more information

6. If you own land in the Township, have you been approached about an agreement for a solar energy development?

- o Yes
- ● No
- o Does not apply

7. If you own land in the Township, have you been approached about an agreement for a wind energy development?

- o Yes
- ● No
- o Does not apply

8. If a solar energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- o Glare
- o Noise
- o Aesthetic appearance
- o Signal interference
- o Land restoration
- o Setback distances
- o Property values
- ● All of the above
- o Other (please specify): _____

9. If a wind energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- ○ Shadow flicker
- ○ Noise
- ○ Aesthetic appearance
- ○ Signal interference
- ○ Land restoration
- ○ Setback distances
- ○ Property values
- ● All of the above
- ○ Other (please specify): _____

10. Of the following kinds of land use impacts, which do you think is the **most important** to regulate? (Select one)

- ○ Glare
- ○ Shadow flicker
- ○ Noise
- ○ Aesthetic appearances
- ○ Signal interference
- ○ Land restoration
- ○ Setback distances
- ● Property values
- ○ Other (please specify): _____

11. Would you attend a public hearing about any of the following kinds of renewable energy projects in Ingham Township? (check all that apply)

- ○ Solar
- ○ Wind
- ○ Hydroelectric
- ○ Geothermal
- ○ Nuclear
- ○ Biomass
- ● All of the above
- ○ Other (please specify): _____

Address: [redacted]

1. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments and commitments in the State of Michigan?

   - o 1
   - o 2
   - o 3
   - o (4)
   - o 5
   - o Not enough information

2. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments in Ingham Township?

   - o 1
   - o 2
   - o 3
   - o (4)
   - o 5
   - o Not enough information

3. What sources of renewable energy would you prefer to see developed in Michigan, if any? (check all that apply)

   - ✓ Solar
   - ✓ Wind
   - o Hydroelectric
   - ✓ Geothermal
   - o Nuclear
   - ✓ Biomass ?

4. What sources of renewable energy would you encourage in Ingham Township, if any? (check all that apply)

- ✓ Solar
- ✓ Wind
- ○ Hydroelectric
- ✓ Geothermal
- ○ Nuclear
- ✓ Biomass

5. Have you received information about the Kalamink Project from Apex Energy in Ingham Township?

- ○ Yes
- ● No
- ○ Yes, but would like more information
- ○ No, but would like more information

6. If you own land in the Township, have you been approached about an agreement for a solar energy development?

- ○ Yes
- ● No
- ● ~~Does not apply~~

7. If you own land in the Township, have you been approached about an agreement for a wind energy development?

- ○ Yes
- ● No
- ○ Does not apply

8. If a solar energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- ○ Glare
- ○ Noise
- ○ Aesthetic appearance
- ○ Signal interference
- ○ Land restoration
- ○ Setback distances
- ○ Property values
- ● All of the above
- ○ Other (please specify): I have never heard of any issues but I want to know about them.

9. If a wind energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- o Shadow flicker
- o Noise
- o Aesthetic appearance
- o Signal interference
- o Land restoration
- o Setback distances
- o Property values
- ● All of the above
- o Other (please specify): It's important to bring awareness to any potential problems. I didn't know there were so many!

10. Of the following kinds of land use impacts, which do you think is the **most important** to regulate? (Select one)

- o Glare
- o Shadow flicker
- o Noise
- o Aesthetic appearances
- o Signal interference
- o Land restoration
- o Setback distances
- o Property values
- ● Other (please specify): after finding out about each one I would be able to make a decision

11. Would you attend a public hearing about any of the following kinds of renewable energy projects in Ingham Township? (check all that apply)

- o Solar
- o Wind
- o Hydroelectric
- o Geothermal
- o Nuclear
- o Biomass
- ● All of the above
- o Other (please specify): _____

- ○ Yes, but would like more information
- ◉ No, but would like more information

6. If you own land in the Township, have you been approached about an agreement for a solar energy development?

- ○ Yes
- ◉ No
- ○ Does not apply

7. If you own land in the Township, have you been approached about an agreement for a wind energy development?

- ○ Yes
- ◉ No
- ○ Does not apply

8. If a solar energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- ○ Glare
- ○ Noise
- ○ Aesthetic appearance
- ○ Signal interference
- ○ Land restoration
- ○ Setback distances
- ○ Property values
- ○ All of the above
- ○ Other (please specify): _____

none - I support - need more information

9. If a wind energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- ● Shadow flicker
- ● Noise
- ○ Aesthetic appearance
- ● Signal interference
- ○ Land restoration
- ○ Setback distances
- ● Property values
- ○ All of the above
- ● Other (please specify): Health issues

10. Of the following kinds of land use impacts, which do you think is the **most important** to regulate? (Select one)

- ○ Glare
- ○ Shadow flicker
- ○ Noise
- ○ Aesthetic appearances
- ○ Signal interference
- ○ Land restoration
- ○ Setback distances
- ● Property values
- ○ Other (please specify): _____

11. Would you attend a public hearing about any of the following kinds of renewable energy projects in Ingham Township? (check all that apply)

- ○ Solar
- ○ Wind
- ○ Hydroelectric
- ○ Geothermal
- ○ Nuclear
- ○ Biomass
- ● All of the above
- ○ Other (please specify): _____

This survey is intended for residents and landowners in Ingham Township. To further the community's priorities in future land uses, we invite you to complete this survey and return it to the Township office at 1420 Johnson Street, PO Box 238, Dansville, MI 48819. You can scan or email your answers to clerk@inghamtownship.com. Please return the survey on or before **Friday, June 4, 2021.**

Your answers to these questions will help Township officials understand the most important issues for different kinds of renewable energy projects.

Name: [redacted]

Address [redacted]

1. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments and commitments in the State of Michigan?

   - ○ 1
   - ○ 2
   - ○ 3
   - ○ 4
   - ● 5
   - ○ Not enough information

10. Of the following kinds of land use impacts, which do you think is the **most important** to regulate? (Select one)

- o Glare
- o Shadow flicker
- o Noise
- o Aesthetic appearances
- ● Signal interference
- o Land restoration
- o Setback distances
- o Property values
- o Other (please specify): _____

11. Would you attend a public hearing about any of the following kinds of renewable energy projects in Ingham Township? (check all that apply)

- ● Solar
- ● Wind
- o Hydroelectric
- ● Geothermal
- o Nuclear
- o Biomass
- o All of the above
- o Other (please specify): _____

This survey is intended for residents and landowners in Ingham Township. To further the community's priorities in future land uses, we invite you to complete this survey and return it to the Township office at 1420 Johnson Street, PO Box 238, Dansville, MI 48819. You can scan or email your answers to clerk@inghamtownship.com. Please return the survey on or before **Friday, June 4, 2021**.

Your answers to these questions will help Township officials understand the most important issues for different kinds of renewable energy projects.

Name: [redacted]

Address: [redacted]

1. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments and commitments in the State of Michigan?

   - ○ 1
   - ○ 2
   - ○ 3
   - ○ 4
   - ● 5
   - ○ Not enough information

2. On a scale of 1 - 5, with 5 being most in favor, what is your opinion of renewable energy developments in Ingham Township?

   - ○ 1
   - ○ 2
   - ○ 3
   - ○ 4
   - ○ 5
   - ● Not enough information

3. What sources of renewable energy would you prefer to see developed in Michigan, if any? (check all that apply)

   - ● Solar
   - ● Wind
   - ○ Hydroelectric
   - ○ Geothermal
   - ○ Nuclear
   - ○ Biomass

4. What sources of renewable energy would you encourage in Ingham Township, if any? (check all that apply)

- ☑ Solar
- ☑ Wind
- ○ Hydroelectric
- ○ Geothermal
- ○ Nuclear
- ○ Biomass

5. Have you received information about the Kalamink Project from Apex Energy in Ingham Township?

- ○ Yes
- ○ No
- ○ Yes, but would like more information
- ☑ No, but would like more information

6. If you own land in the Township, have you been approached about an agreement for a solar energy development?

- ○ Yes
- ☑ No
- ○ Does not apply

7. If you own land in the Township, have you been approached about an agreement for a wind energy development?

- ○ Yes
- ☑ No
- ○ Does not apply

8. If a solar energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- ○ Glare
- ☑ Noise
- ☑ Aesthetic appearance
- ☑ Signal interference
- ○ Land restoration
- ○ Setback distances
- ☑ Property values
- ○ All of the above
- ○ Other (please specify): _____

9. If a wind energy development were proposed in Ingham Township, what concerns would you have, if any? (check all that apply)

- o Shadow flicker
- o Noise
- o Aesthetic appearance
- o Signal interference
- o Land restoration
- o Setback distances
- o Property values
- ● All of the above
- o Other (please specify): _____
